- Histon and Impington Green Spaces – who recently made a similar purchase
- Somersham Parish Council and Somersham Local Nature Reserve
- Great Ouse Valley Trust
- The Wildlife Trust for Bedfordshire, Cambridgeshire and Northamptonshire
- The Royal Society for the Protection of Birds (RSPB)
- Campaign to Protect Rural England, Cambridgeshire
- Countryside Regeneration Trust
- Langdyke Countryside Trust

Price confirmed

Tarmac's agent has confirmed that the area covered by the ACV (edged in red) has been given a guide price of £650,000.

Sales particulars are not yet available but are likely to be released in the next week or so.

We're still looking for volunteers

Many thanks to all those who have already volunteered to help. We are still looking for surveyors, marketeers, web designers and fundraisers with experience of writing successful bids for grants, etc. If you have other skills that you believe could be useful to a successful bid, please email parish.clerk@hemingfordgreyparishcouncil.gov.uk
